WHERE DO WE SEE THESE IN ACTION?

Mission Statement Community Church of Chapel Hill Unitarian Universalist

Inspired by the wisdom of diverse religious traditions and our own history of ethical engagement, we strive to nurture spiritual growth, support and care for each other, and effect change through our love for the world.

Funding Annual Operations supports functions from paying staff to keeping the lights on. Members' contribution to annual operations is usually through their yearly pledges. Typically, members make these pledges as a part of their basic budget expenses.

Building Community & Outreach support activities that give us opportunities to connect with and support one another and to do good works outside our church. Typically, members fund these activities as a part of their discretionary budget expenses.

Preserving Our Legacy supports the continued existence of our church. Most particularly, the purpose of these legacy funds is to ensure the continued existence of our church in the case of catastrophic events. Typically, members contribute to these funds through gifts of stock, annuities and other retirement vehicles, and/or through bequests as part of an estate plan.
