

# Building Blocks: c3HUU's Building Project Bulletin

Issue 9—September 2019

On-line at <http://www.c3huu.org/osof-1.html>

## What Does September Mean?

Volunteers (113)

■ Single slots (71) ■ Multiple slots (42)

### Time for Fix-Up Volunteers to Take a Bow!

The Summer 2019 project to renovate the existing Jones Building meeting/classrooms wraps up this month. It's CELEBRATION TIME! Join us for CAKE and CONGRATULATIONS during coffee hour after each service **September 29**.

### Time for Congregational Updates on Building Project Status!

We now have an illustrated leaflet recapping in a nutshell “Why” we are doing a building project and “What” the building project actually is.

This will be a welcome reference for anyone who joined the church since the project was launched or has otherwise not been particularly tuned in to the plot twists over the past couple of years.

Copies are available during coffee hour, or online <http://www.c3huu.org/osof-1.html>.

A second leaflet, available by September 29, will provide a detailed update on the Building Project and our strategy for closing “the Gap.” It will be based on the information available at that time.

In November, when we get firmed-up cost estimates based on the detailed engineering design (only possible after we receive the Town’s green light on our submissions thus far), we will issue a new update. Stay tuned!

### Time to Be Thinking About Charitable Donations?

If you, like many, think about donating to worthy organizations near the end of each year to take advantage of potential tax benefits, please consider making an advance payment on your capital fund pledge as one such donation. Consider alleviating your anxiety about market downturns by donating appreciated assets to the church’s capital fund. If you are over age 70, [click here](#) for information on Qualified Charitable Distributions within your Required Minimum Distribution. Thank you for helping close the Gap!

Note: For tax advice, consult your tax advisor.
