T3 The Threads of Earth, by Joyce Allen. Wolf's Pond Press, 2013.

New, autographed copy of Book 2 of the Threads Trilogy. Jane plans to spend the summer learning her new role. She doesn't guess that new trouble will appear in the form of a vengeful Titan goddess, a god who crosses boundaries and can't be trusted, and a threat from the past that could put all Earth at risk. Her sisters of the Four work with her; so do her friend Jinx and the resourceful god who is her grandmother's new boyfriend, but their help can only go so far. Because of a bond she did not ask for and does not want, this is a battle Jane must finally fight alone. For middle school through age 99. Cover art by church member Anna Crawford
