

Our Church's Mission Statement: *Inspired by the wisdom of diverse religious traditions and our own history of ethical engagement, we strive to nurture spiritual growth, support and care for each other, and effect change through our love for the world.*

Opportunity!

- The decision by the tenant preschool to move to its own building by December, 2018, offers us a tremendous opportunity to strengthen the effectiveness of our remarkable Lifespan Religious Education (LRE) programs in addressing our mission – at a time of great need in the larger community and the world for the kind of principled citizens and leaders which our LRE programs foster.
- By renovating the space that has been occupied by the preschool and by building an addition featuring two additional right-sized rooms, we will be able to significantly enhance our programs for all ages, flexibly accommodate our myriad committee and fellowship meetings, and better engage our community within and beyond our walls.
- These renovations will enable us finally to ensure accessibility to all.
- Further, targeted improvements to the Community Room acoustics and systems, including the kitchen, and to the bathrooms by the Sanctuary, will substantially increase the comfort and functionality of these spaces, making them more usable and welcoming in keeping with our mission.
