Notable Quotes

At the church's Annual Meeting on October 18, the Building Project Task Force leaders presented an update.

"Substantial progress to report since four months ago!"

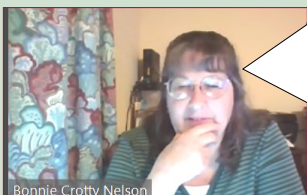

"It takes people to make the dream a reality."

"Yesterday I stood in the mud in the downstairs Living Room space and could finally begin to imagine how it will look when we're done."

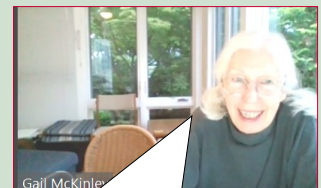

"The gap, about \$300K, is \$130K less than it would have been were it not for all the participation by church groups and individuals in supplemental fundraising last year."

"If you're in a position to make early pledge payments or donations before construction is done, next spring, that would help a lot!"

"An open, no-pressure, appeal for people to pledge, as they can, when they can, an additional amount to the Capital Fund for the year ending June 2022."
