

5. Interior View Multi-Purpose Room Looking N: Beyond this main entrance to the Multi-Purpose Room are the stairs down to the Gallery, with the porch and lawn beyond. At the top is the row of clerestory windows for enhanced daylighting. In the corner to the left is the convenience sink and cupboards for functions in this room. The doorway on the left is for exit in the event of fire; it leads to a balcony with steps connecting to the playground stairway.
